The Guy Sella Research Prize in Energy

The Guy Sella Memorial Project

Supported by SolarEdge Technologies LTD.

To honor the memory and vision of the late Guy Sella, the Technion and SolarEdge Technologies LTD partnered to establish the Guy Sella Memorial Project, a joint educational and technological venture. This biennial call for proposals for the Guy Sella research prize is issued by the Grand Technion Energy Program (GTEP), as part of the Guy Sella Memorial Project.

The \$20,000 prize (\$5,000 as personal prize and \$15,000 as research grant) will be awarded to a research team or individual from Israel for innovative research in one of the following fields:

1. Power Electronics
2. Electrochemistry
3. PV
4. Electrical Grid
5. Energy Storage

Submission Criteria:

1. The candidates must hold full-time positions in an Israeli academic institute.
2. Each Academic institute can submit one candidate via the Vice President for Research at their institute.
3. The prize can be awarded only once to each recipient.

Proposal submission:

1. A one-to-two-page description of the submitted research work;
2. Copy of two relevant published articles;
3. CV including publication list.
4. Recommendations: (1) A recommendation letter from the academic unit head;
(2) Two additional recommendation letters from faculty members.

Reviewing and selection:

The prize recipient will be selected by a committee appointed by the director of the Grand Technion Energy Program.

All the material must be submitted in English as a PDF file to the Office of the Executive Vice President for Research at the Technion by e-mail: coordination.evpr@technion.ac.il no later than **25/12/2024**.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dario'.

Prof. Dekel Dario
Head of Grand Technion Energy Program (GTEP)
